**Online Training Provider**

Online Training provided by Lara Technology which is established in 2005. We will use our reasonable endeavors to provide the Online Training. We will provide the Training with lots of care and skills which are very much required to the industry.

We provide technical delivery with the videos and test to evaluate in the same video.

We share the toppers contact data to the recruiters to get hired.

**Account:**

You need an account for most activities on our platform. Keep your password safe, because you're responsible for all activity associated with your account. If you suspect someone else is using your account, let us know by contacting our Supporting Team.

You need an account for most activities on our platform, including to purchase and enroll in a course. When setting up and maintaining your account, you must provide and continue to provide accurate and complete information, including a valid email address. You have complete responsibility for your account and everything that happens on your account, including for any harm or damage (to us or anyone else) caused by someone using your account without your permission. This means you need to be careful with your password. You may not transfer your account to someone else or use someone else's account without their permission. If you contact us to request access to an account, we will not grant you such access unless you can provide us the login credential information for that account.

**Course enrolment and 1 year access**

When you enroll in a course you will get access to view that course at any time anywhere on <https://lara.co.in> only. You will not have an access to download that course because we grant you a 1 year access.

We generally give 1 year access to our students when they enroll in a course. However, we have the rights to disable the access at any point in time in the event due to legal or privacy reasons.

**Purchasing and Confirmation:**

Lara works on third party payment processing partners to offer you the most convenient payment methods and to keep your payment information secure.

In order to purchase an Online Course, you must provide the required information and pay the amount specified. You must ensure that all information provided is complete and accurate.

For confirmation of your purchase we will send you a mail regarding your purchased course details.

Whenever you use our web site, or any other web site, the computer on which the web pages are stored (the Web server) needs to know the network address of your computer so that it can send the requested web pages to your Internet browser. The unique network address of your computer is called its "IP address," and is sent automatically each time you access any Internet site. From a computer's IP address, it is possible to determine the general geographic location of that computer but otherwise it is anonymous.

**Security:**

When purchasing from <https://lara.co.in>, your financial details are passed through a secure server using the latest 128-bit SSL (secure sockets layer) encryption technology. 128-bit SSL encryption is the current industry standard.

**Privacy Policy**

<https://lara.co.in> is committed to safeguarding your personal details privacy. We will use our best efforts to ensure that the information you submit to us remains private. If required we will share your contact to only recruiters to get hire you.
